Thanksgiving Donation Request

October 2024

Thanksgiving is a time, when those of us who can, to take a deep breath and put the world on pause. Older generations share stories and wisdom with younger generations as they reminisce and romanticize the good old days, even if most of those old days weren't always so good. Thanksgiving Day with family, friends, neighbors, community, traditions, conversations, and even politics is always remembered fondly as one of those good old days.

All of us at Crowd Proud believe that on Thanksgiving Day a full belly nourishes the body and the soul. A day we wish guaranteed happiness for everyone rather than the other days when we are only guaranteed the right to pursue happiness.

One of the organization's goals is to assist others with learning to do for themselves and to become self-sufficient individuals and families who can give back and strengthen communities. While this is different for every person, child, and family, we know and often see that partaking in the Thanksgiving holiday can be an extra financial and emotional burden for some rather than a celebration of kindness and togetherness. We also have a special fondness for our military veterans who have served to protect us.

A hotel in Luzerne County has already donated the use of its facilities for this year's Thanksgiving Day event. As a business in Luzerne County and surrounding areas, you already understand the importance of this holiday and the strengthening of communities.

Can we count on your support as we reintroduce, after a two-year pause, Crowd Proud's Thanksgiving Family Day celebration?

Please visit www.CrowdProud.org/Thanksgiving to make an online tax-deductible donation. To make a donation by check or any other form, please send an email to Info@CrowdProud.org or call the office for additional information and to make arrangements.

Thank you for your time, consideration, and generosity as we near the 2024 holiday season!

Sincerely,

Sabrina Smith
Founder

Tyler A. Reedy, B.A., M.Ed.
CEO

Crowd Proud, Inc. is a woman and minority founded and operated, nonprofit 501(c)(3) corporation providing advocacy, life-saving services and compassion to strengthen rural, low-income, underserved individuals, families, children, and military veterans.

Crowd Proud does not provide goods, special favors, or services in exchange for any donation. All donations received that exceed the funds needed for a specific named event or purpose will go to Crowd Proud's general fund for operating expenses, including assisting clients who face allegations from Children & Youth with retaining qualified legal representation to protect their rights and the rights of their children.
